Earth Day Upcycling Program

In the celebration of Earth day on April 22nd recreation is putting together an upcycling program. This upcycling project will be focused on building bird seed feeders for the property through recycling and re-using household items.

Please drop off the following items to recreation in the activity room on the first floor or at reception by April 17th:

- CD Cases
- 2 L Pop Bottles
- 2 L Cardboard Juice Containers
- Bird Seed

We thank everyone for their donations and for participation in Sagewood's upcycling program for 2014

Join us in the Community Centre on April 16th for entertainment with Murray Cummins and a chance to win a spring prize by guessing how many jelly beans are in the jar.

A Word from Resident's Council

Congratulations Bea Brown for your first official meeting as Council President!

Thank-you, Dennis, for sitting in on our March meeting. We found your detailed explanation of how the fire systems in the building work very informative and cleared up a lot of questions for us.

Resident Suggestion Envelopes have been placed on the bulletin boards of each unit. These envelopes are for residents who are not able to make it to the meeting or are not interested in attending to put in ideas they would like discussed at the meeting.

The minutes from our March meeting will be posted on all of the boards this week. For those of you who could not attend keep an eye out to catch up on what you missed.

Our April Meeting will be held:

April 24th at 2:00 pm in the Community Centre on the Second floor

We still have positions to fill! If you would like to be involved please contact **Jennifer in Recreation**

April is Daffodil Month

Show your support for those living with Cancer and wear a Daffodil pin for the month of April.

Meet the Staff

May we introduce the newest member to our recreation team Dusty! Dusty will be completing her practicum with us for the month of April, so don't hesitate to stop her in the hallway for a quick introduction.

A little Bit About Dusty

First year student at Lethbridge College, and is studying Recreation Therapy. Dusty grew up on a farm right here in Strathmore. In the summer she works at a golf course around Strathmore. Dusty is planning to visit Thailand this May!

Dusty and her twin brother celebrate their birthday in November.

The next Food Services meeting is on Tuesday April 8th at 6:30pm, in the Community Centre. All resident's and family members are welcome to join.
