

## AgeCare Values in Action Award

Dear Resident, Family Member

AgeCare Values in Action Award has been designed to recognize AgeCare employees who best exemplify AgeCare's Guiding Principles of **Trust, Respect, Quality** and **Teamwork**. Award recipients will be identified based on a peer and resident/family nomination process, followed by final selection by the Management Team.

Deserving employees will be nominated by their peers or residents/families for showing outstanding contributions to AgeCare Guiding Principles. These awards recognize our employees who promote and express commitment to AgeCare values that make us unique and powerful. It is a cooperative, rather than a competitive award, and the aim is to provide inspiration and examples to other team members.

You can nominate any employee from any department including **Care, Hospitality, Maintenance** and **Administration**. Please nominate the individual who you think is the most deserving person. In order to nominate an employee, you need to complete a "Nomination Form". Nomination forms are available at your site's administration department. Please submit the completed nomination form to your administration department no later than December 15, 2014.

After the nomination process is completed, the Selection Committee determines one winner in each of AgeCare four Guiding Principles.

Thanks for helping us to be a strong, effective and ethical organization collectively!
