February 2015

農曆新年

Chinese New Year

nóng lì xīn nián

Estate Residents;

January usually feels like the month goes on and on forever, but with all the beautiful sunny warm days we have had, I thought it seemed to go by rather quickly. So, here we are in February with lots to do in only 28 days, let's see what the ground hog says about spring. First, I would like to mention that we will be having some "Play, and Learn to Play Cribbage" on Wednesday afternoons in the lounge. What this means is that I would like everyone that plays crib, those who haven't played in a while and would like to again, and those who would like to learn, to come out and play, learn and have fun together. Then, on February 20th, we will be having a crib tournament with prizes, snacks and refreshments.

Also, be sure to check your calendars for the Valentine's Strawberry Social that will feature everything with strawberries.

I would like to explain that the "Tuck Shop" has now been renamed "Corner Store" to reflect on more of a home and community environment as opposed to a hospital "like" environment.

If you were also wondering what is happening with the Friday exercise program, I had to cancel it for the next couple of months, because Mark needs to take some vacation time, and I will be driving the bus on those days.

If you have any questions or concerns about the activities, events, or outings, please come and see me.

The special Monday outings for February are:

Dollar store & Value Village – February 2nd, @ 1:15 – 4:00 pm

Grey Eagle Casino – February 9th, @ 1:15 – 4:00 pm

Glenmore Landing Shops Dove's Nest Tea House – February 23rd, @ 1:15 – 4:00 pm

"Happy Chinese New Year, February 19th, 2015!"

Thanks everyone,

Sandi

Coordinator's Corner - February, 2015

Notices:

The resident hosted "Staff appreciation" held on Wednesday, Jan 14th 2:00pm in the Estate Dining Room was a great success, on behalf of all the Estate staff we would like to Thank You so much for your generosity and kindness.

Also, I would like to thank you all for your patience, understanding, and diligence during our recent respiratory outbreak. We worked together to keep the down time relatively short, as we all know we have had longer outbreaks good work everyone; let's try to keep healthy for the remainder of the winter months.
