### **In House Meal Program Requirements and Restrictions**

- Residents with a modified texture diet will need to be approved by registered dietitian and/or nurse on duty before attending program.
- Residents with any allergies associated with food being prepared or ordered in, will not attend in house meal.

### **Resident Trust Account Set Up**

- Residents and/or family members can set up a trust account at reception.
- Trust account set up will put everyone's mind at ease; residents do not need to worry about carrying money with them to and from programs and all money is appropriately tracked and accounted for by recreation and administration staff.
- Residents are only charged for programs that are above and beyond general recreation services at SkyPointe.

Residents are encouraged to sign up for programs as soon as they are interested.

Residents are guaranteed at least **ONE** sign up program/month.

With a large community, the recreation team wants to ensure every resident is able to enjoy the recreation and leisure services offered at SkyPointe.

If you have any questions, concerns or comments, please stop by the recreation office or contact your recreation therapy manager, Marlee Dukart: p: 587-619-6317 e: [mdukart@agecare.ca](mailto:mdukart@agecare.ca)

\*Recreation programs and activities are subject to change in some extenuating circumstances.

We will work our hardest to make sure this does not happen!
