One Minute of Learning:

Code of the Month: Orange

Code Orange is the designated phrase to alert personnel to an external mass casualty incident and details the actions to be taken by staff to assist other health facilities and emergency services in the relocation of patients, residents from other facilities and/or individuals at risk in the community.

For more information, ask your neighbourhood nurse or one of SkyPointe's onsite educators.

Recreation Program Calendar Makeover

The recreation program calendars will be changing April 2020. With the addition of the Hospice Care program at SkyPointe, there will be an additional calendar. Program and activity times will remain the same.

Recreation Department Feature Community Outings

As per AgeCare Policies, interested residents/family members will have to ensure the following:

- Residents interested in going for outings have to have a trust account with us so the cost of outings can be charged accordingly. Residents would be responsible for any activity cost.
- Residents will be required to sign up for each outing with Rec Team
- No power chairs or scooters on the bus due to capacity and weight restrictions
- AgeCare SkyPointe have the right to remove a resident(s) from community outings due to extenuating circumstances.
- All residents must have a signed and completed *Consent for Transportation to Seniors Activities* before attending outing. Our hope is our residents will benefit from this amazing opportunity.

Wings of Diversity

Expressive Art Project Located in the Atrium

SkyPointe residents from each neighbourhood created the Wings of Diversity. It is a testament to the diverse population and creativity SkyPointe has. Each feather is individually decorated in every color of the rainbow. The project was done to support and celebrate our population, which comes from all lifestyles and backgrounds.
