When Should You Wash Your Hands? Remember the 4 Moments!

Hand Hygiene is considered a routine practice in our care industry. This does not change no matter if you are feeling unwell, if you are interacting with anyone or if you are out in public. You must use Hand Hygiene when you are in our community and visiting your friends and neighbours. AgeCare communities all have posters and reminder on how to wash either with alcohol based hand rubs or good old fashioned soap

SkyPointe Lend and Loan Library!

Are you looking for a good book to read? Check out the community lend and loan library in the Atrium. Take a book, leave a book. If you would like to donate books, see recreation!

August Tongue Twisters

Silly Sally swiftly shooed seven silly sheep.
The seven silly sheep Silly Sally shooed Shilly-shallied south. These sheep shouldn't sleep in a shack; Sheep should sleep in a shed!

Fuzzy Wuzzy was a bear.
Fuzzy Wuzzy had no hair.
Fuzzy Wuzzy wasn't fuzzy, was he?

One Minute of Learning

Code of the Month: Code Red

Code Red is the designated phrase to alert personnel to smoke / fire and details the actions to be taken by staff to ensure the safety and security of themselves, their residents and visitors. Staff in the effected area will follow R.E.A.C.T.

For more information, ask your neighbourhood nurse or one of SkyPointe's onsite educators.

of Red August 4, 2020 is Flames Day

SkyPointe! let's get ready to cheer on our home team, the CALGARY FLAMES as they take on the Winnipeg Jets in the first round of 2020 NHL playoffs. With no fans in the stands this year, we will need to be extra loud!

On **August 4, 2020**, everyone can dress up in their Flame's gear, wear red or where their jerseys. **All facility TV's will be tuned into the game at 4:45 pm.** If you see a  on your calendar, the Flames have a game that day!

Flower of the Month

Gladiolus, which gets its name from the Latin word for 'sword', *gladius*, represents strength and moral integrity. But its romantic looking flowers are capable of piercing a heart with their beauty, which explains why the blooms also symbolize infatuation. Gladioli grow from a bulb called a corm. Corms are planted each spring and dug up in the fall. This flower has an array of colors to chose from and the flower blossoms open one by one from the base on up, making this a very enduring flower to cut.

Weather or Not

As the summer nears its end and we inch closer to fall, let's use some *August Weather Lore* to try to predict what the next winter will be like! Pay attention to the first week of this month — if it is unusually warm, it means that the coming winter will be snowy and long. Was this month cold?

If so, it means that the following winter will be harsh and dry.
